COMPLIANCE SECURITY ACADEMY

Mastering Security & Compliance, One Step at a Time.

Expertise That Delivers Real-World Results

At Compliance Security Academy, we empower businesses, from startups to multinational organizations, to navigate today's most complex security and compliance challenges. Our goal is to turn security & compliance from obstacles into strategic advantages, helping you secure critical certifications, pass audits with confidence, and scale efficiently.

“Security and compliance aren’t roadblocks—they’re growth accelerators. Done right, they build trust, drive business, and put you ahead of the competition.”

– CHARLES DENYER, Founder,
Compliance Security Academy

WHAT WE OFFER

We provide deep, actionable expertise in a wide range of security and compliance frameworks, including:

- SOC 1, SOC 2, SOC 3
- PCI DSS
- HIPAA
- NIST RMF
- FedRAMP
- StateRAMP
- CMMC
- DCSA eMASS
- FISMA
- ISO 27001/2
- GDPR & CCPA
- And much more...

Our expert-led curriculum and practical support tools are designed to help you not only achieve compliance but sustain it long-term—proactively, rigorously, and strategically.

MEET CHARLES DENYER

Founder & Compliance Strategist

With over 25 years of hands-on experience, Charles Denyer is a trusted authority in security, compliance, and risk management. He has worked with organizations across industries—from U.S. intelligence agencies & the Department of Defense to healthcare providers, fintech companies, and startups.

Charles is passionate about helping businesses master compliance without the burden. He believes security & compliance should be growth enablers, not operational challenges. Through Compliance Security Academy, Charles offers practical, scalable solutions to turn compliance into a competitive edge.

OUR MISSION

We are on a mission to help organizations master security and compliance quickly, confidently, and efficiently. Whether you're preparing for your first audit, building your security program, or scaling compliance across multiple regulations, we are here to help.

Through our platform, you'll gain instant access to thousands of expertly developed policies, templates, checklists, and frameworks—all at your fingertips. These practical tools are designed to help you achieve compliance and maintain it as your business grows. We are committed to turning regulatory obligations into strategic opportunities, helping you reduce risk, and giving you confidence in your compliance.

“Security isn’t just a checkbox — it’s a culture. We give you the tools to build it.”

– CHARLES DENYER. Founder,
Compliance Security Academy
